

Internet of Things Penetration Testing

Training and Certification

Cyber Security Educational Courses Professional Sessions

ABOUT US

We offer Cyber Security and Information Security training and Certification in Hyderabad for Cyber Security and Information Technology aspirants. Since Decade, we have been in the Information Technology and Cybersecurity industry. You can learn more about cybersecurity, Techniques, and Tools to choose a better career path.

DESCRIPTION

Craw Hyderabad offers a complete security assessment and penetration testing through our unique offering of Attacker Simulated Exploitation for Internet of Things (IOT) solutions. This involves our security researchers compromising your system and devices with an attacker's mindset, thus revealing any possible security holes that might lead to a security breach of your IoT device.

Duration -
40Hrs

Language -
Hindi & English

Mode -
Online & Offline
